Sharing Our Time and Talent

Welcome! We are happy and excited that you are making a commitment to our faith community. Participating in any way, on any level, has many benefits! It's an opportunity to know more people and for people to know you better. It is an opportunity to make a real contribution to the vitality of your parish. But most importantly, by serving in your parish you are showing your gratitude to God for all the gifts of time and talent you have been given. Far from being "extra", it is part and parcel of the life of a committed Christian. Like Jesus, we are called to be "poured out" in the service of others.

Thank you for stepping out in faith and giving of yourself!

God will bless you.
